

DREIDEL

DESIGN COMPETITION

**Max Dimensions
of your Dreidel Design:
75mm high and 45 mm wide**

Who:

Grades 5-12,
solo or in teams of 2-4.

What:

Create an original dreidel in a 3D design program,
print it using the 3D printers in the Startup Incubator,
then spin it during the competition!

When:

All designs must be completed by December 16.
Work on your dreidel during Incubator classes, flex time,
or after school. Competition will occur during
Hanukkah Celebration.

Why:

Awards given by division for
Longest Spins and *Best Looking* dreidels!
